Experience the perfect blend of luxury and functionality aboard the Hawker 800XP, featuring a spacious cabin that accommodates up to eight passengers. With a maximum range of 2,620 nautical miles, this mid-size corporate jet is ideal for domestic flights and is capable of operating from shorter runways. It also comes equipped with an in-flight accessible baggage area, a forward galley, and an enclosed lavatory. Travelers seeking a quiet and refined journey will appreciate the interior design, making the Hawker 800XP an ideal choice for both business and leisure.
